Re: Internal Cash Adjustment on June Monthly Report

Dear Mr. Buckley,

After further auditing, we found that our cash on hand was still off by \$5,000. In a previous conversation this spring with our Deputy Treasurer Kathryn Jayne Drennen regarding the error in the ARCH PAC's cash on hand, you had advised us to do an internal cash adjustment on the report. We have added an internal cash adjustment on Line 29 in the amount of \$5,000 to balance the report with the bank statement. To recap, we found an error in our cash on hand that goes back prior to 2008. To fix this you advised we report an internal cash adjustment on our report and submit a Form 99 reminding you of the issue. The PAC has no records past 2009 and was therefore unable to pinpoint on which report the original error began.

If you have questions, please contact the PAC's Deputy Treasurer Kathryn Jayne Drennen at 314-968-2600.

Thank you.
John Truman
Treasurer, Arch Leadership PAC
